SUBJECT: CHARLES ANDERSON

Dear Dan:

Earlier this year we had some communication concerning an individual by the name of Charles Anderson. At that time you indicated to us that this individual has a long series of convictions for various types of crimes.

We enclosed a Confidential Record Sheet when we last wrote to you asking that it be returned so that we can set up our files and indentify Mr. Anderson wherever he might move. I am enclosing another copy for you to complete so that we may have our files in order and close the case.

We would also like to know if you can indentify the locations of the various crimes for which Mr. Anderson was convicted. This will help in strengthening our file for the future.

Sincerely,

Paul I. Ernst, Director

PERSONAL & CONFIDENTIAL

Dear Dan:

Thank you for your letter of February 7th concerning Charles Anderson. We certainly agree with you that he should be refused registration based on his record which continues over many years.

We would ask that you complete the Confidential Record Sheet which we are enclosing, giving as much information as possible so that we will be able to identify Mr. Anderson wherever he might move and try to register.

We would appreciate it if you would also indicate on the Confidential Record Sheet or in another letter, the source of your information such as, the county that these convictions took place or a copy of any other material which you may have. The stronger our file is the more helpful it is to anyone who may at a later date be in our particular positions and have to make a decision.

Thanks again for your help in this matter.

Sincerely,

Paul I. Ernst, Director

Dear Paul,

Please be advised the person's name that appears on the enclosed copy of the adult leader application has been deleted from our files as a leader and should be added to the list of undesirables, nationally.

On January 13, 1983 my Field Director, Albert O'Neal talked with you personally about this situation. Since that time we have verified that he is, in fact, the same person who has a record in the state of California that dates back to 1957. The following are his convictions:

1957 - kidnapping
1965 - burglary
1973 - possession of stolen property
1977 - oral sex perversion
1978 - lewd and lascivious oral copulation
by force; burglary

This person has also been known to use the alias of Edward Leon Elder. Paul, just for your information, this man was registered as an Assistant Scoutmaster in Redondo Beach, California before moving to Las Vegas.

If we can be of any further assistance, please let us know.

Best regards,

Daniel R. Gasparo
Scout Executive
